### Grade 9 Options

Students will be enrolled in **THREE** option courses each semester. Please note that options are scheduled based on student requests. We make every effort to provide students with their requests, while also ensuring that class enrollments remain reasonable. Therefore, choose your options carefully. **Once timetables are built, requests to change options will only be considered if there is a scheduling error (for example, you were placed in a course you did not request) or in exceptional circumstances.**

Students who choose Band and French will be given these priority options. \* Band & French are full year options so each counts as two options. **Grade 8 Band and French are prerequisites for Grade 9 Band and French. Grade 9 Band and French are prerequisites for Grade 10 Band and French programs**
