## F.R. Haythorne Junior Badminton 2018

I \_\_\_\_\_ allow \_\_\_\_\_ to participate in the above

mentioned trips throughout the 2018 season. I also understand the behavioural expectations of my child while playing on a sports team and the possible consequences if my child does not adhere to school rules and expectations.

The main objective of Junior badminton is to develop and improve the athlete's overall ability through structured practices. Tournament play is a bonus as only 16 athletes are eligible to participate. We will endeavour to provide the best opportunity possible for athletes to participate in tournament play. However there is **NO GUARENTEE** of equitable tournament time given the very short season.
